

## STREET PARKING

We have compiled the map below to help you when parking at 4Life Psychology at its new location - Suite 1/Level 1, 130 Commercial Rd. Newstead.

While this map is accurate at the time of compilation, street parking often changes so we recommend that you use it as a guide and always check the signs when parking.

### Parking on Saturday and Sunday

Street parking in the area is free on Saturday and Sunday, but please keep in mind that the area is popular and can be quite busy, so it may take a moment to find a park.
